Enumeration. Clerk Fred Shirer reported the

total school enumeration to be 10,226, a gain over 1898 of 211.

Contracts Signed. President Inman stated that 98 contracts sent the teachers had been signed and returned. Dr. Reed thereupon made a motion to rescind the former action of the board to reconsider the employment of teachers.

Col. Gibbon's Remarks.

Col. Gibbon's had a little tilt with Prof. Thomas in reference to the emdo special teaching in reading in the ward schools. He said he thought it reflected on the teachers in the ward schools, putting them in the light that they were not competent to teach.

Explanation Demanded.

Mr. Otis demanded an explanation for cutting the salary of Miss Olive S. Taylor, a Henry school teacher, \$25, when nine of the others' salaries were increased. Dr. Reed, of the Erie Excursions, One Fare Round teachers and salaries committee, said that since she had signed her contract, the committee deemed it proper fort, June 10, returning June 16; St. to let it go as it was. Mr. Kelley Louis, Mo., June 19 and 20, returning spoke in favor of putting the salary back. It was finally restored to \$525.
